

(If you wish to write the answer directly...)

PROBLEM 1

Here lies the solution / proof.

(If you wish to state the problem and then write your answer...)

PROBLEM 2

You may also state the problem here...

Solution ... and write the solution here...

(If you prefer "Proof" instead of "Solution" ...)

Proof ... or a proof like this one...

LEMMA 2.1

Some auxiliary result.

Proof. The proof of lemma 2.1.

... and the rest steps...

(If you prefer the classical proof style...)

Proof. The usual proof environment also works.
