

The 2in1 package

Sanjeev Saxena, `ssax@computer.org`

23/July/2001

This L^AT_EX Style File is for printing two pages on a single page (landscape). Page numbers are at bottom. Header is blank. The author is Sanjeev Saxena, `ssax@computer.org`. This package was last modified on 23/July/2001 (prints title correctly with `\maketitle`).

1 Usage

```
\documentclass[10pt,landscape]{article} (or 11pt or 12pt)  
OR  
\documentclass[10pt]{article} (or 11pt or 12pt)  
\usepackage{2in1}
```
