

# Testing Basic Bidi Direction Change

Vafa Khalighi

January 11, 2010

In this document we test bidi direction change in RTL and LTR. These tests includes `flushleft`, `flushright` environments and `\centerline{...}`, `\leftline{...}`, `\rightline{...}`, `\raggedleft` and `\raggedright` macros.

## 1 RTL Test

LTR ni tfel si sihT

LTR ni thgir si sihT

LTR ni ret nec si sihT

LTR ni tfel si sihT

LTR ni thgir si sihT

LTR ni t fel deggar si sihT

LTR ni thgir deggar si sihT

## 2 LTR Test

This is left in LTR

This is right in LTR

This is center in LTR

This is left in LTR

This is right in LTR

This is raggedleft in LTR

This is raggedright in LTR
