

The XePersian Package

Source documentation for [version 22.0](#)

to my Master, Ferdowsi The Great

If you want to report any bugs or typos and corrections in the documentation, or ask for any new features, or suggest any improvements, or ask any questions about the package, then please use the issue tracker:

<https://github.com/bidirtex/xepersian/issues>

In doing so, please always explain your issue well enough, and always include a minimal working example showing the issue.
